

The following is information for the two FEC Form 6 (48 Hour Notice of Contributions/Loans Received) filed for contributions received August 17, 2009.

1. Contribution from Collision Repair Business Management Services LLC should be attributed to Brian Vannoni, Occupation: Director/Employer: Collision Repair Business Management Services LLC
2. Contribution from Brad Triebsch should be attributed to Rebekah Triebsch (check signer), Occupation: Reading Specialist / Employer: Moraga School
3. Two contributions totaling \$1500 were received from Stanley Black. One was issued using his sole proprietor account and the other through another of his personal accounts, but were entered into the software separately so initially were not aggregated together. Correction to the data entry was made upon discovery of the situation and the FEC Form 6 filed.

Thank you.
